

ST PAUL'S AMUA (*Anglican Mothers Union Australia*) REPORT

2019 Theme – 'Listen, observe, act – in step with God'

This year has been quite a challenge as we are few in number and with several issues which have impacted on our ability to meet each month. It is important that we meet as we support one another by prayer and provide an avenue for social support to members facing health and family challenges.

We began by changing our meeting day to a Monday enabling us to spend time with the children at Playgroup. Unfortunately this was not a suitable day and time for all members so we have now reverted back to Thursday.

2019 Theme: Listen, observe, act – in step with God

This year our programs have revolved around the worldwide theme of '**Listen, observe, act – in step with God**' and how we do that in our personal lives and as a branch of Mothers' Union.

Even though we are few, we have taken our part in the 'World Day of Prayer', Wave of Prayer, supported AMUA Disaster Relief and Overseas & Northern Outreach.

Within our parish we:

- provide baptism bears
- provide baptism and marriage folders
- AMUA Thought for the Week is published in the Pewsheet.

At our meetings we pray together and support each other in times of illness and need and look at how relativity of specific bible passages.

We are always hoping to welcome new members to our group.

We have held some meetings at a member's home which has been enjoyed by all.

We are part of a worldwide movement 4 million strong, with over 6000 members in Australia supporting projects tackling the most urgent and pressing needs that are challenging relationships and communities.
